

GOVERNMENT OF KERALA

Abstract

Information Technology Department - AKSHAYA Project - List of locations - Approved - Orders issued

INFORMATION TECHNOLOGY (A) DEPARTMENT

G.O (Ms)No: 19/05/ITD.

Dated, Thiruvananthapuram, 30.04.2005.

Read:-1. G.O.(Ms) 40/2003/ITD dated 23.10.2003.

2. G.O. (Ms) 03/04/ITD dated 20.02.2004.

3. G.O.(Rt) No. 69/2004/ITD dated 29.03.04.

4. Minutes of the Meeting held on 2/12/2004 by the Honorable Chief Minister regarding roll out of AKSHAYA.

5. KSITM Lr. No.KSITM/D/AKS-RO/134/05 dated 28.04.05.

ORDER

As per Government Order read as first paper above, sanction was accorded to Kerala State IT Mission to undertake Location identification survey in all districts of the State for the implementation of AKSHAYA project through Town and Country Planning Department.

As per Government Order read as second paper above, Government have accorded sanction for the State-wide roll out of AKSHAYA project. ✓

As per Government Order read as third paper above, Government have approved the list of 6957 locations proposed for AKSHAYA centre, as submitted by Kerala State IT Mission, in the 13 districts, excluding Malappuram.

As per the minutes of the meeting read as fourth paper above, it was subsequently decided to replicate the AKSHAYA roll out in seven districts in the first phase, namely Kasargod, Kannur, Kozhikode, Thrissur, Ernakulam, Pathanamthitta and Kollam.

Based on the above decision and based on the experience in Malappuram, it was decided that the number of AKSHAYA centres in each Grama Panchayat may be limited to 2, 6 in Municipalities and 8-10 in corporations, to ensure viability of the centres, even during the period beyond e-literacy Accordingly, the LSGIs have identified the new locations and has informed the same.

AS-43

As per the letter read as fifth paper above, Director, Kerala State IT Mission have proposed the following.

Sub centres: Sub centres to main AKSHAYA Centres can be established under the approval of Local bodies concerned. The sub-centres can be set-up by the selected entrepreneurs only. Panchayaths can suggest two types of sub centres.

- a. **Compulsory Sub Centres-** Sub centres for conducting e-literacy need to be opened in the locations specified by Town Planning Department, as per the original spatial mapping approved as per G.O (Rt) No. 69/2004/ITD dated 29th March 2004, 3-4 systems are to be provided in these centres by the entrepreneurs, with the same specifications as that of main centres. Systems can be taken on rentals by Entrepreneurs.

However, during the service delivery phase of the project, if the local bodies identify that the existing AKSHAYA access points available in the Panchayats are not sufficient to provide services to the citizens, the local bodies through a resolution can decide that the entrepreneur of the catchment may be instructed to run a sub-centre for service delivery, with permission from KSITM.

- b. **Using the existing facility-** Existing computer centres/ Schools etc can be used as sub centres with the consent of the owner. Any financial commitment between the entrepreneurs and the parties will be undertaken by the entrepreneur. Local bodies may give necessary support to the entrepreneurs, in case they are willing to provide systems in schools or LSGI owned centres.
- c. **Small Centres in remote locations-** If found necessary, Akshaya Centre owners can move systems to remote inaccessible locations, where people demand e-literacy. Systems can be placed in houses/Anganwadis or LP Schools for conducting the programme.

After having examined the same, Government are pleased to approve the list of 1321 locations appended to this Order for the setting up the AKSHAYA centres in the 7 districts, as mentioned above.

Government are also pleased to order that in those locations where access is inadequate, sub-centres can be set up, during the e-literacy phase, by observing the above criteria for setting up sub-centers. During the service delivery phase of the project, if the local bodies identify that the existing AKSHAYA access points available in the Panchayats are not sufficient to provide services to the citizens, the local bodies through a resolution can decide that the entrepreneur of the

catchment may be instructed to run a sub-centre for service delivery, with permission from KSITM.

By Order of the Governor

P.H. KURIAN
SECRETARY TO GOVERNMENT

To

The President, District Panchayat- Kasargode, Kannur, Kozhikode, Thrissur, Ernakulam, Pathanamthitta and Kollam
The District Collector Kasargode, Kannur, Kozhikode, Thrissur, Ernakulam, Pathanamthitta and Kollam
