Sir,

Sub: PMU for Service Plus - 1cg

Ref: (i) Letter No. 732/2014/KSITM/Service Plus/2765 dated 24-02-2014  
(ii) GO(Rt)No 61/2014/ITD dated 04-03-14  
(iii) Letter No. KSITM/732/2014/2905 dated 25-03-2014

NIC has submitted the project proposal for eService Delivery of Government of Kerala using ServicePlus framework. The proposal has been approved by Government and administrative sanction issued vide order GO (MS) No. 4/2014/ITD dated 10/01/2014

As per the approved project proposal, KSITM will set up PMU with required infrastructure as detailed in pages 11 and 14 in the proposal. The manpower to execute the project will be deployed by NIC/NICSI as and when the infrastructure is provided by KSITM. It is clearly stated in the proposal that the PMU shall be headed by NIC officer (refer page 14).

But, vide reference (i) above, KSITM has requested NIC to set up the PMU. Also in the GO referred above, it is stated that NIC shall set up the PMU consisting of KSITM, and SeMT. We would like to point out that, this is not agreeable to NIC and we would prefer to go by the approved project proposal

Kindly let us know the details of PMU so that we can raise the PI for release of funds

Thanking you,

Yours faithfully

(K. SANTHANA RAMAN)
